

Whitehorse Women's Hockey Association

2019/2020 League Information

The season runs from October 1st, 2019 to March 7, 2020, including playoffs. Exhibition games will run from September 7th to the beginning of the season.

The league consists of beginner to advanced players, 18 years and older.

This is a 'recreational' league which means body checking is not allowed, but body contact should be expected.

Players and referees are to be treated with respect at all times.

Full Canadian Safety Association approved hockey equipment is required. Your gear must fit you. Players must wear neck guards, helmets, gloves, as well as shin, elbow, shoulder and pelvic protectors.

Teams will have twelve to fifteen players. Seven players and a goalie must be present or the game is forfeited.

Each team will play two games per week based on six teams.

Games will start on time and be timed and refereed.

League policies can be viewed at www.whitehorsetwomenshockey.com.

No Split Seasons and Wait List

Split seasons are not available. Individual players are welcome to register to play a portion of the season but must pay the full league fee. Alternatively, a player can put themselves on the wait list for spots potentially available later in the season. Fees for players on the wait list will be prorated to the start date for the player. To add your name to the waitlist and for more details regarding the WWHA Wait List policy, visit www.whitehorsetwomenshockey.com.

Fees

League fee: Players \$500 / Goalies \$275

The league fee covers the cost of ice, referees, and time-keepers, WWHA membership (includes CARHA Insurance), and the \$50 jersey deposit that will be refunded during playoffs. The jersey must be returned no later than April 5, 2020 or the deposit is forfeit. Goalies that pay a reduced league fee can only play the position of goalie.

Refund Policy

WWHA understands that there are many reasons you might not be able to finish the hockey season: people move, lives change, they get pregnant, they have bad breakups, *etc.* We know. But, league fees are based on a precarious calculation of ice time costs divided by the possible number of players. We will give refunds only in certain circumstances (medical reasons like illness, injury or pregnancy). Refund decisions are retroactive to the date when you notified us by email. It's a bit hard-ass but attempts to be fair to everyone. For more details, see the WWHA refund policy posted on www.whitehorsetwomenshockey.com.
